

A Study Report on Mid Term Appraisal of the 11th Five Year Plan of Tripura

Funding Agency: Planning Commission, Government of India

Coordinator: Achin Chakraborty

The Planning Commission, Government of India assigned to the Institute of Development Studies Kolkata the task of preparing a Report on the performance of monitorable targets and flagship programmes for Mid Term Appraisal of the 11th Five Year Plan of Tripura.

The study report has two parts. The first part traces the growth in the State Domestic Product and its various components in the recent years, analyses the progress that different sectors of the economy have made, and identify the problems they face. Besides the performance of the economy, the study also specifically deals with the health and education sectors.

The second part analyses the progress in implementation of various central and centrally sponsored programmes. The final Report was sent to the Planning Commission in January 2011.
