

The Institute of Development Studies Kolkata (IDSK), an autonomous centre of excellence in social sciences, fully funded by the Government of West Bengal, was established in 2002 as a registered society with a governing body comprising eminent scholars and government representatives. The Indian Council of Social Science Research (ICSSR) recognised IDSK under the 'New Category of ICSSR recognised Institutes'. IDSK is devoted to advanced academic research and informed policy advice in the areas of education, health, gender, employment, technology, communication, natural resource governance, population displacement, human sciences and economic development. The Institute is committed to dissemination of its research findings through scientific publications, public reports, workshops, seminars, publications in the media, and other public counselling and education programmes. IDSK has been conducting MPhil in Development Studies since 2006 and PhD in Development Studies since 2016, under the auspices of the University of Calcutta.

During the fifteen years of its existence, IDSK has made its mark in the world of research in social sciences. It has actively collaborated with the departments of history, economics, political science, philosophy, business management, Ballygunge Science College, Centre for Urban Economic Studies, Women's Studies Research Centre and Centre for Social Sciences and Humanities of the University of Calcutta. IDSK has also actively collaborated with such other institutions as Monash University, University of Melbourne, University of Geneva, University of Rome "La Sapienza", Indira Gandhi Institute of Development Research, and others. The Institute regularly organises research training programmes for young scholars, often in collaboration with other academic institutions.

The University Grants Commission sponsored the setting up of the Rabindranath Tagore Centre for Human Development Studies (RTCHDS) under the auspices of the IDSK through the University of Calcutta. The Advisory Committee of RTCHDS is headed by the Vice-Chancellor of the University of Calcutta as Chairman, the Director of the IDSK as Vice-Chairman and with other representatives from the IDSK and the University of Calcutta including the Pro-Vice-Chancellor (Academic) and Pro-Vice-Chancellor (Finance). The academic programmes of the Centre include organizing seminars, supporting doctoral research, hosting post-doctoral fellows and visiting academics at various levels.

PROGRAMME ADMINISTRATION

The PhD programme in Development Studies, introduced in 2016, is affiliated to the University of Calcutta. The programme conforms to the pattern of the existing PhD programmes run by the University and is guided by the University of Calcutta Regulations for PhD, 2016. As a recognised 'sister institute' of the University of Calcutta, IDSK is responsible for designing the course modules for the compulsory course work and offering them in accordance with the requirement. The PhD supervisors are all regular members of the faculty of IDSK. Eminent faculty from other institutions may be invited to be joint/associate supervisors, if needed. The programme is conducted with the approval of the PhD Research Advisory Committee for Development Studies, comprising eminent social scientists nominated by the Vice Chancellor of the University of Calcutta, at each stage.

ELIGIBILITY

Candidates with a Post Graduate Degree with at least 55% marks (50% for SC/ST/OBC) in any discipline from a UGC recognized University or with professional degrees, such as MBBS/BE/BTech are eligible to apply. The Reservation Policy of the State Government will be applicable in the selection of candidates.

Eligible applicants will have to appear for a written examination. Those who qualify in it will be called for an interview. Candidates who have cleared UGC/CSIR (JRF) Examinations/NET/ SET/SLET/ GATE/ Teacher Fellowship or have passed the MPhil/MTech/MD/ME/MPharm or any other equivalent examination are not required to appear at the entrance test but will have to appear for the interview. The final selection will be made on the basis of the candidate's performance in the interview. The number of scholars to be admitted this year will not exceed six.

Selected candidates will have to undertake coursework at IDSK during the first year of enrolment. After the defence of the research proposal at the PhD registration seminar by the candidate, she/he will be allowed to register with the University of Calcutta.

FELLOWSHIP

Few fellowships may be offered under the Institutional Doctoral Fellowships Scheme of the Indian Council of Social Science Research (ICSSR). Fellowships will be awarded after PhD registration, strictly on the basis of performance in the coursework, provided the candidates fulfil the criteria for eligibility for the ICSSR Doctoral Fellowship (visit <http://icssr.org> for details). Doctoral Research Fellows are expected to actively participate in the academic programmes of the Institute.

LIBRARY FACILITY

The IDSK library houses an impressive number of knowledge resources focusing on various research areas in Development Studies, Economics, Sociology, Demography, Education, Public Health, Political Science, Gender Studies, Anthropology, Ethnography, Environmental Studies, Regional Development, Human Sciences and Globalization. The IDSK Library provides excellent resource centre for scholars. It

occupies two floors (1700 sq ft each) of southern block of the building. It has a total collection of 19,920 processed documents including books, bounded journals and other processed documents of which IDSK's collection is 9741, Rabindranath Tagore Centre for Human Development Studies' collection is 4102 and the rest 6077 are gifted collections. The library subscribes to 34 journals (print), 61 journals (online) of Oxford publications, 22 journals (print & online) of Sage publication, EPW (print + online), Journal of Development Studies (online), New York Review of Books (online), Journal of American Economic Association (online), Development and Change (online) and The Economic Journal (online). It has also acquired e- books from Cambridge University Press. The online databases subscribed by the library are Prowess, Econ-lit and Indiastat.com.

The library has acquired different tools for processing the documents e.g. Dewey Decimal Classification (DDC) 22nd and 23rd edition, Anglo American Cataloguing Rules (AACR-2R), Sears list of subject headings 17th and 20th edition, C.A. Cutter's 3-figure Author table fully revised edition, American Library Association (ALA) filing rules. The library is using SOUL version 1 (Software for University Libraries) for its on-going automation activities and users can also access the OPAC (Online Public Access Catalogue) service from the Library Reading Room. The Library has entered and processed 16011 documents in SOUL. Book charging and discharging is done with the help of SOUL software and barcode technology. A total of 904 users are registered with the library. The internal users enjoy bending document delivery and reading facilities. The library has network with various renowned institutions and libraries namely, National Library, University of Calcutta, Indian Statistical Institute, Kolkata, American Information Resource Centre Kolkata, DELNET by which inter library loan facility is provided for the users of our esteemed Institute.

COMPUTER FACILITY

The IDSK has well-furnished computer lab along with adequate infrastructure with compatible computer hardware and the latest networking equipment and software. Round the clock Internet access is available on campus to students, faculty and staff. All the computers on campus are connected through Ethernet-based LAN. 9 MBPS leased line is used for Internet connection throughout the campus. It has a computer lab with 20 desktop PCs connected to the Internet and available for use by students and research staff. Network laser printers and HP colour scanners are available for printing and scanning purposes. The OPAC (Online Public Access Catalogue) of our library can also be accessed from the PCs in the computer lab. The servers are Red Hat Enterprise LINUX and Server 2008. Other than the regular Windows 7 and Windows 8.1 operating system, MS Office and Adobe Professional packages for individual desktops, IDSK provides its faculty, research staff, and students with the latest statistical and econometric software such as Stata, SPSS, Eviews, Win Rats and Win Cats. Students offering different courses are also get adequate training in free software such as CSPro and ADePT.
