

ICSSR–Sponsored Ten Days Research Methodology Course

25 March – 4 April 2019

Organised by

Institute of Development Studies Kolkata (IDSK)

Institute of Development Studies Kolkata (IDSK) invites applications from research scholars in social sciences for an ICSSR-Sponsored Ten Days Research Methodology Course to be held during 25 March-4 April 2019.

Objective

The Research Methodology Course intends to induct research scholars in social sciences to the fundamental principles of interdisciplinary research.

Course Content

Providing an overview of mixed methods of research, the course will focus on quantitative techniques, commonly used in social science research. Workshops in Stata 13 and Eviews 7 will be conducted to illustrate empirical applications of the techniques introduced. Scholars will receive a hands-on training in collection and analysis of primary data, using Statistical Softwares, such as CsPro 6.5 and Stata 13. Providing an extensive training in academic writing, the course will also include sessions that will discuss and evaluate writing samples of participants.

Who can participate
