INSTITUTE OF DEVELOPMENT STUDIES KOLKATA

UNIVERSITY OF CALCUTTA

About IDSK

The Institute of Development Studies Kolkata (IDSK), was promoted by the Government of West Bengal as an autonomous centre of excellence in social sciences and was founded in 2002 as a registered society with a governing body comprising eminent scholars and Government's nominees. It is fully funded by the Government of West Bengal. During the twenty one years of its existence, IDSK has made its mark in the world of research in social sciences and humanities in India. In 2014 the Indian Council of Social Science Research (ICSSR) recognized IDSK under the 'New Category of ICSSR Recognized Institutes'.

The Governing Council of IDSK comprises eminent scholars and representatives of the Government of West Bengal. The Council is now headed by Professor Sabyasachi Basu Ray Chaudhury as the President.

IDSK is devoted to advanced academic research and informed policy advice in the areas of education, health, gender, employment, technology, communication, governance, human sciences and economic development. Other important programmes included training of research scholars in the social sciences working towards MPhil or PhD degrees. IDSK conducts PhD in Development Studies in collaboration with the University of Calcutta. The Institute is committed to dissemination of its research findings through workshops, seminars, publications in the media, and other public counselling and education programmes.

IDSK has actively collaborated with a good number of academic institutions in India and abroad. Its close association with the University of Calcutta started since its inception. Other institutions with which IDSK has actively collaborated in the recent years include the Monash University (Australia), University of Melbourne, University of Geneva, University of Rome "La Sapienza", Italy, and others.

The University Grants Commission (UGC) sponsored the setting up of the Rabindranath Tagore Centre for Human Development Studies (RTCHDS) under the auspices of IDSK through the University of Calcutta. The Advisory Committee of RTCHDS is headed by the Vice-Chancellor of the University of Calcutta as Chairperson, the Director of IDSK as Vice-Chairperson and with other representatives from IDSK and the University of Calcutta including the Pro-Vice Chancellor (Academic) and Pro-Vice Chancellor (Finance). The academic programmes of the Centre include organizing seminars, financially supporting faculty research, supporting doctoral research, hosting post-doctoral fellows and visiting academics at various levels.

IDSK took an initiative to set up an archive on the history of Salt Lake in celebration of the fiftieth year of the township in the past year. The generous donation of rupees one lakh that IDSK received from Professor Amiya Kumar Bagchi, Founder-Director and Emeritus Professor of IDSK, is being utilised for the purpose. The archive is dedicated to the memory of Professor Jasodhara Bagchi.

PROGRAMME ADMINISTRATION

The PhD programme in Development Studies, introduced in 2016, is affiliated to the University of Calcutta. The programme conforms to the pattern of the existing PhD programmes run by the University and is guided by the University of Calcutta Regulations for PhD, 2016. As a recognised 'sister institute' of the University of Calcutta, IDSK is responsible for designing the course modules for the compulsory course work and offering them in accordance with the requirement. The PhD supervisors are all regular members of the faculty of IDSK. Eminent faculty from other institutions may be invited to be joint/associate supervisors, if needed. The programme is conducted with the

approval of the PhD Research Advisory Committee for Development Studies, comprising eminent social scientists nominated by the Vice Chancellor of the University of Calcutta, at each stage.

COURSE WORK

The course work for PhD spans over two semesters. In the first semester, course modules on Perspectives in Development Studies and Research Methodology are offered. In the second semester, specialised modules are offered depending on the scholars' requirements. Specialised modules fall in five broad areas: Economics, Sociology, Political Science, History, and Regional Development.

ELIGIBILITY

Candidates with a Post Graduate Degree with at least 55% marks (50% for SC/ST/OBC) in any discipline from a UGC recognized University or an autonomous institution eligible to offer such degree can apply. The Reservation Policy of the State Government will be applicable in the selection of candidates.

Eligible applicants will have to appear for a written examination. Those who qualify in it will be called for an interview. Candidates who have cleared UGC/CSIR (JRF) Examinations/NET/ SET/SLET/ GATE/ Teacher Fellowship or have passed the MPhil/MTech/MD/ME/MPharm or any other equivalent examination are not required to appear at the entrance test but will have to appear for the interview. The final selection will be made on the basis of the candidate's performance in the interview. The number of scholars to be admitted this year will not exceed six.

Selected candidates will have to undertake coursework at IDSK during the first year of enrolment. After the defence of the research proposal at the PhD registration seminar by the candidate, she/he will be allowed to register with the University of Calcutta.

LIBRARY FACILITY

The IDSK Knowledge Resource Centre or the Library is an ideal place for knowledge enhancement of academic as well as research professionals. It began functioning from December 2002 on the 5th floor of Alipore Campus of Calcutta University. It subsequently moved to IDSK campus at Salt Lake in 2010. The Library occupies two floors (2nd and 3rd floor, 1700 sq. ft. each) of the southern block of the building.

The Library houses an impressive number of knowledge resources focussing on various research areas in Development Studies, Economics, Sociology, Demography, Education, Public Health, Political Science, Gender Studies, Anthropology, Ethnography, Environmental Studies, Regional Development, Human Sciences and Globalization. It has a total collection of 20788 processed documents including books, bound journals and other processed documents of which IDSK's collection is 10410, Rabindranath Tagore Centre for Human Development Studies' collection is 4102 and the rest 6287 are gifted collections.

From April 1, 2022 to 31st March 2023, the library has accessioned 20 books and 26 MPhil dissertations. The Library subscribes 17 journals (print), 24 journals (online) of Sage publication, EPW (online), The Economist (online), Down To Earth (online), Grassroots (online). The library has procured JSTOR Developing Nations Collection Package (More than 2000 Journals). The Library

procures Prowess IQ, EPWRF India Time Series and Indiastat database. The Library purchases four newspapers The Hindu, Business Line, Business Standard and Labanhrad Sambad.

The Library possesses tools for processing documents. These include Dewey Decimal Classification (DDC) 22nd and 23rd edition, Anglo American Cataloguing Rules (AACR-2R), Sears List of Subject Headings 17th and 20th edition, C.A. Cutter's 3- figure Author table fully revised edition, American Library Association (ALA) filing rules.

The Library earlier used SOUL version 1 (Software for University Libraries) for its on-going automation activities. Till March 2018, the library has entered and processed 16231 documents in SOUL. Since April 2018 SOUL software is not used in full-fledged form. From December 2017, the library has started its automation functions in Koha. The library has got more prominent look through its newly created web pages.

The Library provides services to different types of potential users who are the Students (M.Phil), Research Scholars (PhD), members of the faculty, members of Governing Council, Postdoctoral Fellows, Senior Research Fellows and Staff of this institution. The internal users enjoy library lending, document delivery and reading facilities. IDSK Library also provides reading facility to external scholars.

COMPUTER FACILITY

IDSK has well-furnished computer lab along with adequate infrastructure with compatible computer hardware and the latest networking equipment and software. Round the clock Internet access is available on campus to students, faculty and staff. All the computers on campus are connected through Ethernet-based LAN. 15 MBPS leased line is used for Internet connection throughout the campus. It has a computer lab with 20 desktop PCs connected to the Internet and available for use by students and research staff. Network laser printers and HP colour scanners are available for printing and scanning purposes. The OPAC (Online Public Access Catalogue) of our library can also be accessed from the PCs in the computer lab. The servers are Red Hat Enterprise LINUX and Server 2008. Other than the regular Windows 7 and Windows 8.1 operating system, MS Office and Adobe Professional packages for individual desktops, IDSK provides its faculty, research staff, and students with the latest statistical and econometric software such as Stata, SPSS, Eviews, Win Rats and Win Cats. In addition, students opting for different courses receive adequate training in certain free softwares such as CPro and ADePT.
