

## **A Five Day Workshop on Qualitative Research Methods in Social Sciences**

Qualitative research is increasingly gaining importance across variety of disciplines in the social sciences and in the Humanities. The five day workshop focuses on epistemological foundation of Qualitative social research and the principal qualitative research methods which the paradigms dictate. These include ethnography, case study, focus groups, visual methods, textual analysis, content analysis, discourse analysis, personal documents, use of archives, etc.

This workshop is suitable for those who are engaged in social research or who intend to use qualitative methods for research.

The workshop is aimed at a wide variety of participants including young researchers engaged in their PhD research, young faculty members in colleges, universities and research institutions, people in non-governmental organizations who want to use qualitative methods in their research or to gain a further understanding of the practical application of particular methods.

The five-day workshop is scheduled to be held from **11<sup>th</sup> December 2023 to 15<sup>th</sup> December 2023** at Institute of Development Studies Kolkata (IDSK).

The number of participants would be **thirty**. Registration Fee will be **Rupees Four thousand only**. Outstation participants will have to make their own arrangements for accommodation. Tea and lunch will be provided by IDSK on all five days of the workshop.

The candidate who intends to participate in the workshop must apply in the prescribed application format (given below) and submit it to the email address [idskqualitativeresearch@gmail.com](mailto:idskqualitativeresearch@gmail.com) on or before **31<sup>st</sup> October 2023**. Candidates, who have attended the previous courses, need not apply again.

The short-listed participants will be informed on **10<sup>th</sup> November 2023** through our website.
