July

2025

Why study PGDDS at IDSK?

- Exploration of developmental issues from a multidisciplinary perspective
- Suitable timing of classes for working professionals and students currently enrolled in regular courses
- Expert & committed faculty members
- Hands-on experience through fieldwork and research projects
- Exposure to R, Python, Stata, GIS software
- Library with database & journal access
- Regular conferences, seminars, invited lectures and workshops
- Networking opportunities by connecting with fellow students, alumni, & professionals working in the development sector
